ANNUAL REPORT OF
THE ORFORD SOCIAL LIBRARY
For the Year Ending December 31, 1975

The Library hours are now 2:00 P.M. to 4:30 P.M. on Friday afternoons.

The resignation of Mrs. Elton C. Woodward (now Mrs. Arthur Anderson) as Librarian was accepted with regret.

We are fortunate in having Mrs. Charles H. Clifford, Jr., as our present Librarian. An increased number of people are visiting the Library and tea is available as an enjoyable and appropriate feature of a "social" library.

A gift of \$10 from the Rondo was greatly appreciated. The amount will appear in the treasurer's report of 1976.

Gifts of 65 books were received with thanks.

During the year, 680 fiction, 53 non-fiction and 167 juvenile books were circulated, making a total of 900.

17 books were purchased.

Appreciation is expressed to Mr. & Mrs. Clifford Fifield for their work in caring for the Library grounds and planting the flower box on the porch.

REPORT OF THE
FOREST FIRE WARDEN and DISTRICT CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at 50% of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to 50% of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

ORFORD FAST SQUAD
1975

The Orford Fast Squad is a branch of the Orford Fire Department but receives no town monies. It is supported entirely by contributions. The twelve members serve without pay.

Each member holds at least an Advanced First Aid Certificate from the Red Cross, and some have further medical training. We are qualified to handle heart attacks, burns, severe bleeding, unconsciousness, water accidents, snowmobile and automobile accidents, fractures, poisoning, emergency childbirth, exposure and sudden illnesses of all kinds.

Help will arrive in minutes in any weather if you call our emergency number:

4 3 4 7

"Hanover Dispatch" will answer and notify us immediately by radio of the location and problem. On our request, Hanover will radio for mutual-aid fast squads.

We responded to 13 ambulance calls in 1975 and answered one mutual-aid call for the Fairlee train wreck and fire.

In 1976 we hope to raise enough money to buy a small portable oxygen tank. The large, heavy oxygen-resuscitator is carried on the outside of the fire truck because it is too large to ride in the cab. One minus 26 degree night the oxygen valve was frozen and useless when it was needed for a patient. A portable oxygen can be easily carried by one person in a car. We also hope to buy a leg traction splint and other badly needed equipment.

If you would like to help in any way or, hopefully, join the Orford Fast Squad, please call 353-4597, or contact any member.

ORFORD COMMUNITY HEALTH SERVICE

It is my pleasure to present to you the Annual Report of the Orford Community Health Service.

Though we have initiated no new major programs, the OCHS Board feels that those we are sponsoring have continued to be viable and beneficial to our community.

We have expanded our Well Child Clinics (renamed Orford Community Health Clinic) to include any member of the community who wishes health screening tests. Since the clinics are held during the day, adult response has been small. The Board hopes to remedy this in the ensuing year.

We are continuing to contract with North Country Home Health Agency for Medicare billing. Since contracting with the agency in 1974, we have increased our Medicare revenues by nearly \$600.

Piermont continues to contract with OCHS for home health visits, and plans to do so in 1976.

Following is a short summary of home visits for 1975:
(It is interesting to note that of the total of 453 visits in 1975, 300 were made to elderly people over 65 years of age.)

Total admissions: (first visits to a patient).....	119
Total readmissions (visits to patients previously admitted).....	328
Total visits	453
	(compared to 400 visits in 1974)
Receipts from 44 paid home visits	\$157
	(compared to \$394 for 108 paid or partially paid visits in 1974)

Again, as in other years, the OCHS Board thanks each and every one of you for your interest and support of our agency.....and for all time volunteered on our behalf.

Mrs. Mattoon can be reached at her office Monday through Thursday 8:45 a.m. to 9:45 a.m. The school secretary will take calls and messages during the rest of school hours.

REPORT OF ORFORD PLANNING BOARD
1975

The Orford Planning Board has met at regular intervals throughout the year. Our purpose - to protect and preserve for the citizens of Orford the Town's future, its growth and its proper and just development.

The Sunday Mountain Development application cited in the 1972 Report has been approved. This development consists of 231 acres and was divided into six large lots. Also a subdivision of 38.1 acres was divided into eight lots. The application was approved as were applications for three single residential lots.

National Flood Insurance Program - to date we have not received notification. When received we will have one year to apply and to meet the Federal Insurance Administration requirements. The Board has been working toward meeting these requirements.

The Board has been very pleased with the cooperation of land-owners in its administration of the subdivision regulations, and encourages any one with questions to seek out a board member or attend a Planning Board meeting which is held on the third Monday of each month in Memorial Hall at 7:30 P.M. These meetings are open to the public.

C O M M U N I T Y A C T I O N P R O G R A M S A N D A C T I V I T I E S i n Coos, Carroll and Grafton Counties - 1975

Purpose: Community Action has greatly expanded its objectives and programs. It now serves a broad spectrum of the Tri-County community, continuing to provide significant social services and to sponsor various community-economic development programs. Community Action is largely governed by the principal that if you provide a person a fish a day, you provide for the day; if you teach him how to fish, you provide him for a lifetime.

Social Service Programs:

Meals on Wheels and Transportation for the Elderly: With centers in Colebrook, North Stratford, Berlin, Littleton, Whitefield, Plymouth, Lebanon, and Conway, Meals on Wheels provided over 1,610 meals per week and over 80,000 for the year to the elderly.

Transportation services are provided to the elderly including medical service vans with regularly scheduled trips to the medical centers of White River, Hanover and Portland.

Headstart: With nine classrooms in Berlin, Canaan, Conway, Lebanon, Littleton, Ossipee, Plymouth, and Stratford, Headstart serves an average of 340 preschool youngsters and their families, providing comprehensive services.

Family Planning: A program providing medical, counseling, and educational services to both individuals and the community at large.

Operation Green Thumb: A program designed to help people lower their food costs through gardening efforts served over 5,000 people in 1975.

Operation Help: A fuel loan program designed to enable people to meet rising fuel bills made 144 loans at approximately \$10,000.

Winterization: A new service begun in the winter of 1975, providing insulation, reduction of cold infiltration, combination windows, improvement of heating facilities, through matching grants to eligible citizens.

Manpower: Working with Tri-County Council and County Commissioners, Community Action Manpower Programs continue to provide counseling, training, program development, and other supportive services to the Tri-County Manpower training effort.

Vista: Nine community Vistas (residents of the Tri-County area) are sponsored by Community Action and are providing information referral and general community outreach.

Elderly Employment: The Elderly Employment Program is designed to augment the income and utilize the skills of over 60 elderly residents.

Health Screening: A medical program developed with the Public Health Service designed to detect glaucoma, high blood pressure, diabetes, oral cancer and other maladies in adults.

Economic Development Programs:

As its major development, Community Action organized the Northern Community Investment Corporation which will provide up to

COMMUNITY ACTION PROGRAMS AND ACTIVITIES - 2

\$5 million of stimulus for the initiation and expansion of businesses in the Tri-County area in the next 3 years. In addition, Community Action organized and supported the following:

The Waumbek Hotel Training Program, training and placing residents in entry and middle management hotel positions.

The White Mountain Center for the Arts, supporting 9 local arts councils and providing full and part-time employment for approximately 175 people plus work shops and cultural events for 25,000 people at the Festival in Jefferson alone.

Tri-County Homes builds low-cost homes for individuals who are eligible under Farmers Home Administration and trains area residents in home construction skills.

N. H. Job Start is designed to provide small loans at minimal interest to under capitalized small businesses or individuals interested in initiating their own business.

Coos, Carroll and Grafton County Learning Centers, located in each of the three counties, provide educational opportunities for those who wish to further their educational aims through individual courses, general high school equivalency programs, Associate of Arts degree and Bachelor degree programs through the University of N.H. and University of Vermont educational systems.

ANNUAL REPORT OF THE PRINCIPAL

To the Citizens of Orford:

It is my pleasure to present another annual report to the citizens of Orford. 1975 has been an eventful year with much progress in our schools.

The faculty and administration have continued to review our needs and improve the curriculum.

This past year committees in Language Arts, Mathematics, and Health were established to review those areas of need.

Teachers have been involved in workshops to learn more about children with learning problems.

A continuation of Title I at the Orfordville School to meet the special needs of children with learning problems was most successful, and was cited by the New Hampshire Department of Education as a model program.

The Orford High School Class of 1975:

Mason Elwin Balch, III
Douglas E. Dennis
Michael L. Dyke
Teresa Marie Gould
Martha Anne Hook
Theresa Marie McGoff
Alden E. Nystrom
Janet Lee Pease
Earl Francis Pike, Jr.
Mary B. Pushee
Karen Lee Smith
Gloria Jean Southworth

In conclusion I would like to take this opportunity to thank the parents, citizens, teachers, school board, students, P.T.A., custodians, and our Superintendent Raymond G. Edwards for the support and assistance in making 1975 a successful school year.

Sincerely

WILLIAM J. ELLITHORPE, JR.
Principal
